

## Instructions for APPLICATION FOR CONSENT

THE CORPORATION OF THE CITY OF LONDON  
PLANNING AND DEVELOPMENT,  
6TH FLOOR, CITY HALL, 300 DUFFERIN AVENUE, LONDON, ONTARIO N6A  
4L9  
Telephone: (519) 930-3500

### DETACH THE FIRST TWO PAGES AND RETAIN FOR FUTURE REFERENCE

1. This process pertains to an Application for Consent.
2. There are different fees for each type of application (See Schedule APP-2 attached for a fee schedule)
3. If the application requires a Minor Variance application, the Minor Variance application may be filed after the Notice of Provisional Consent Decision is issued.

### GENERAL INFORMATION

#### A Consent is required for the following:

- to divide land (or sever it) for the purpose of sale (note: no more than five abutting parcels can be created if no public road is being created. Any application creating more than 5 parcels or requires a public road to be created or extended requires approval as a "plan of subdivision");
- to register a mortgage or discharge a mortgage over part of a parcel of land;
- to register a lease over part of a parcel of land when the term of the lease is 21 years or more (inclusive of renewal options);
- to register easements for rights-of-way; and,
- to adjust boundaries of existing land parcels to enlarge or decrease the size of a property.

### STEPS IN THE PROCESS

**Step 1 Consult with Planning and Development** (6th floor, City Hall, 519-930-3500) to discuss your plans before completing an application. In the City of London, Consents are dealt with by the London Consent Authority, not by the Land Division Committee or the Committee of Adjustment. Planning and Development will provide you with the application form, please email [CoAsubmit@london.ca](mailto:CoAsubmit@london.ca)

**Step 2** You may also need to consult the following agencies, as necessary: **Upper Thames River Conservation Authority (UTRCA)** if the site is identified through mapping – tel: 519-451-2800) and the **Ministry of Transportation, Planning and Design** if the application involves a site which is adjacent to a provincial highway - tel: 519-873-4100).

These steps are necessary to determine:

- the need for consent;
- the type of consent involved;
- whether or not a minor variance application to the London Committee of Adjustment is necessary;
- whether or not there might be servicing requirements/ limitations or land dedications involved with a given proposal, or
- whether or not the proposal is beyond the scope of the consent process and, for example, requires the applicant to submit a draft plan of subdivision application.

### STEPS IN THE PROCESS

**Step 3 Complete the application form.** In addition to completing the application form, you must also provide the following:

- One digital copy of a survey of the proposal, dimensioned and drawn to scale; showing all of the information and features that are prescribed in the attached application;
- a cheque made payable to the City Treasurer to cover the application fee (refer to Schedule APP-2);
- if you are using an agent or solicitor, your written authorization (with dated, original signature) identifying, by name, the individual who will act as your agent or solicitor for filing your Application for Consent;
- **A commissioned stamp and signature** on page 9.
- a **Zoning Referral Record** (attached as Schedule APP-1 to this Application Form) as completed by a Municipal Law Enforcement Officer located on the 7th floor of City Hall; [Zoning@london.ca](mailto:Zoning@london.ca)
- In some cases additional information could be helpful in assessing an application. To expedite the

process, you are encouraged to submit, photographs or other relevant documentation that will assist in evaluating your application. To avoid delays, please ensure that your application is complete, that all drawings are neat and legible and that all dimensions are accurate.

**Step 4 Complete application accepted.**

**Step 5 Circulation of the application.** After the application has been received, and at least 14 days before a decision is made, Development Services will send notice of the application to every person assessed within 60 metres of the subject property and to every person and public body that has provided a written request for such notice. Copies of the application will also be circulated to prescribed agencies and to City Departments for the purpose of obtaining written comments and/or advice for consideration when making the decision on the application.

**Step 6 Decision-making process.** The London Consent Authority will carefully consider all aspects of the application pursuant to the requirements of the *Planning Act*, Provincial Policy Statements, the policies in the Official Plan, agency and departmental comments as well as submissions from the public. When dealing with an application to sever land, the London Consent Authority must consider:

- what the effect will be on the health, safety, convenience and welfare of the present and future inhabitants;
- the impact on Provincial interests as identified in Section 2 of the *Planning Act*;
- whether the application is in the public interest or is premature;
- if the lands suit the proposal;
- if the size and shape of the lots and the overall plan are suitable;
- whether the layout addresses energy conservation of natural resources and flood control;
- whether utilities, road systems, municipal services and schools are adequate;
- if the area of land being dedicated for public purposes is suitable;
- whether the application conforms to the Official Plan and is compatible with adjacent land uses.

If the application is approved, the London Consent Authority may impose conditions as part of the decision. Conditions could include things such as a requirement for Site Plan Approval, the entering into of a servicing agreement with the City, or approval of a lot grading plan. **There is no public hearing associated with a decision made by the London Consent Authority.** Copies of departmental comments and comments from the public are available a week prior to the date of the decision of the London Consent Authority.

**Step 7 Notice of Decision.** Within 15 days of the date on which the London Consent Authority makes a decision, one copy of the decision will be mailed to the applicant, anyone who filed a written request for notice of the decision, everyone who provided written comments or written submissions, and to anyone else prescribed by Ontario Regulation 547/06.

**Step 8 A final and binding decision.** If no appeal is made by the end of the 20-day appeal period, the decision is final and binding. You will be notified by mail, and, if the application has been approved, you should be in a position to prepare and submit to the Consent Authority the appropriate documents such as **evidence that all conditions have been met and a deed or a mortgage** for certification by the City Clerk.

**NOTE: SECTION 53 OF THE PLANNING ACT PROVIDES THAT:**

If an application is made for a consent and the council (*Consent Authority*) fails to make a decision under subsection 53(1) on the application within 90 days after the day the application is deemed complete by the London Consent Authority, the applicant may appeal to the Ontario Land Tribunal (OLT) with respect to the consent application.

If the applicant, municipality, a local board, a ministry, department, board, commission, agency or official of a provincial or federal government or a First Nation that files an appeal of a decision of the City of London Consent Authority in respect of the proposed consent does not make written submissions to the Consent Authority, before it gives or refuses to give a provisional consent, the Ontario Land Tribunal (OLT) may dismiss the appeal. If you wish to be notified of the decision of the Consent Authority in respect of the proposed consent you must make a written submission to the City of London Consent Authority, 300 Dufferin Avenue, 6th Floor, London, Ontario, N6A 4L9, or by email to [CoAsubmit@london.ca](mailto:CoAsubmit@london.ca). Additional information on these applications is available at the City of London Business Hub, 2nd Floor, City Hall, 300 Dufferin Avenue, London, Ontario, or by emailing [CoAsubmit@london.ca](mailto:CoAsubmit@london.ca) or calling 519-930-3500.

The appeal must set out the reasons for appeal and must include a certified cheque / money order, or credit card and must be in Canadian Funds in the amount of \$300.00, made payable to the "Minister of Finance". When paying by credit card, please indicate this on the appeal form and OLT staff will phone you to complete the transaction – do **not** record any credit card details on the appeal form.

The Consent Authority will then prepare an appeal package and forward it to the OLT.

OLT will schedule a hearing and give written notice of the time and date in advance of the hearing.

Where a consent is granted without conditions it is valid for 6 months from the date on the "certification stamp" provided the transaction has been completed.

Where a consent is granted with conditions, the conditions must be fulfilled within two years of the "final decision date" or the consent is deemed to be "refused"; and,

Where a conditional consent has been certified as to the fulfillment of the conditions, the consent itself is then valid for six months from the date of the certificate provided the transaction has been completed. (Certification fee is \$100.00 for the initial Certificate and \$200 for each additional Certificate.)
